

	Proposed Image	Script	Image
1	<p>Fade in from black to image of student sitting at a computer</p> <p>Shatter, solarize or negative effects into next slide--</p>	<p>Your computer may be your best friend in helping you get a good education...</p> <p>...or it could be your worst nightmare...</p>	<p>Choice #1</p>  <p>Choice #2</p> 

2

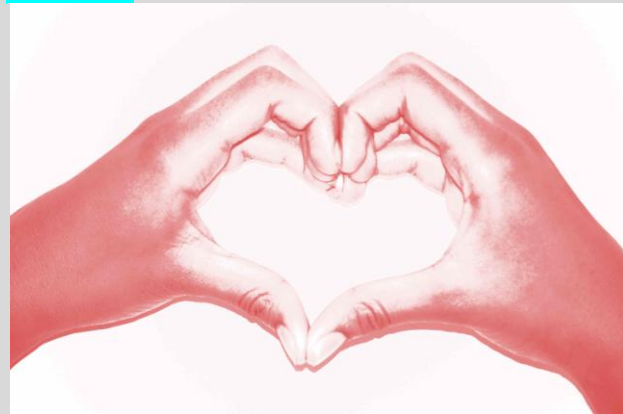

Dissolve rough to an image of a scary-looking person jumping out of the computer

You know that friendly guy from across town that has his own band and seems to be your **soul mate**?

Choice #1

Choice #2

Well, he's really a 48-year-old ex-convict in Albany who already knows where you go to school and what time you get home—alone...

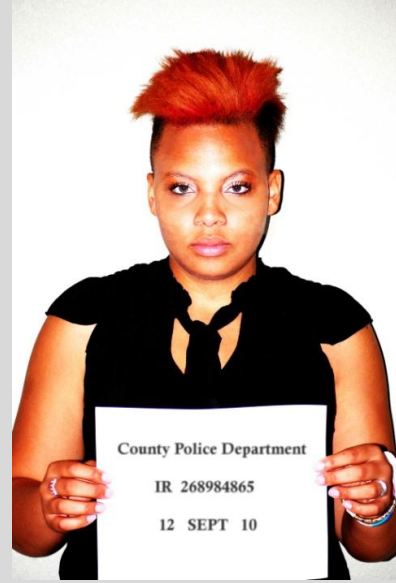

Choice #1

Choice #2

3	Wipe wide right to image of teenager(s) looking at cell phone with offensive text message	<p>...and you know that vicious threat you posted on My Space to the ex-friend who stole your soul mate?</p>	
4	Vertical bars transition to teenager behind jail bars	<p>You may be in deep trouble for that. Cyber bullying is a crime. Scared yet? You should be</p>	<p>Choice #1</p> 

			<p>Choice #2</p> 
5	Ease out to image of happy teenager	<p>Use computers responsibly and learn the basics of staying safe in cyberspace:</p> <p>Never give your real name, address, or any personal information on the Internet</p> <p>Practice netiquette—never use inappropriate language or make threats</p> <p>Talk to your parents about any suspicious posts and report any</p>	<p>Choice #1</p> 

		threats you have received.	<p>Choice #2</p> 
			<p>Do you all think that we need any other images here? I have to keep reminding myself that we only have 60 seconds.</p> <p>Also, are there any of these that need to be redone?</p> <p>-Shawntee'</p>
